1) Sawan ka mahina, pawankareshor – Milan – 1968.

(The song that received the Filmfare award in 1968 was 'Mere Desh Ki Dharti' by esteemed lyricist Gulshan Bawra.

*Anand Bakshi (and even singer Mukesh) felt 'devastated' when this nominated song did not receive a Filmfare; post this disappointment, so, as a result he did not crave for awards thereafter even though he valued them. Because he felt **'he will never ever be able to write anything better than this song from Milan'**, so, he rather concentrates on writing songs than worry if his songs will receive 'awards', just do justice to the story & screenplay & characters and if the song gets an award, then it will be like a Diwali bonus. **"Duniya mein aisa koi kaam nahi, jiss mein har saal bonus milna hi chahiye, ya phir milta hi hai"**, he said.)*
